General Statement of Professional Experience (written by firm)

G.L. Frost Architecture is a small, dedicated firm with ample experience in a variety of project types throughout Maine. Educational, Historic, Commercial, Municipal, Financial Institutions, Churches, Assisted Living Facilities, and Healthcare Institutions are all part of our past work. Mr. Frost has been a part of the architecture community since 1988 and started GLFA in 2002. His past work includes projects ranging from \$22,000,000.00 medical facilities to single family residences. He is a true believer that the built environment effects the way people work, learn, interact, worship and perceive the communities in which they live.
